ABOUT US

Cascade Institute of Hospitality (**CIH**) is a Leading Hotel School located in Thika Town. The Institute is founded on Quality, Affordability and the Promise of Standards never seen before in the Hospitality Industry. **CIH** is an accredited center for the Confederation of Tourism and Hospitality (**CTH**), Kenya National Examination Council (**KNEC**) and Institute of Commercial Management (**ICM**). The Institute has its roots in the Cascade chain of restaurants, a household name within Thika Town and beyond, know for Excellent Quality Services for many years. We aim at producing top grade, high skilled, disciplined and results oriented graduates that will change the face of hospitality in the country and beyond.

Cascade Institute of Hospitality (**CIH**) is the only **CTH Gold Centre** in East and Central Africa and 1 of 12 Gold Centres in the world. Recognized for high standards and quality academic performance. The Confederation of Tourism & Hospitality (**CTH**) is the UK's leading professional awarding body for programmes in the specialist growing hospitality and tourism sector worldwide. Over the last 40 years CTH has focused on developing and adding value to careers in the industry, globally. CTH was established in 1982 as a specialist professional body in the UK to focus on the training needs of new entrants to the hospitality and tourism industries and now has accredited colleges worldwide delivering sought after CTH programmes.

CTH ensures its quality through its approved status with Ofqual - UK Governments's Qualification Regulator. All programmes are developed in conjunction with the UK Sector Skills Council, People 1st, to ensure relevance, value and quality. This approach guarantees that CTH programmes are valued by employers throughout the world.

CIH PROGRAMMES PROFILES

Hospitality Management Programmes

CIH Hospitality Management qualifications are designed to prepare students for gainful employment in the exciting hospitality and tourism industry, and progression, if eligible, to further learning.

All programs are focused on equipping future hoteliers with necessary practical skills, knowledge, attitudes and competences to ensure that they are able to fit and work confidently within various operated departments in hospitality and catering businesses. Supervisory and management competences are also developed throughout the program to provide the basic tools needed for ascending to greater levels of responsibility in the students' careers.

Culinary Arts Programmes

Culinary Arts refers to the techniques and skills required for preparation, cooking and presentation of foods, usually in form of dishes and meals. People working in this field are commonly known as; 'cooks' or 'chefs'.

At CIH the Culinary Arts qualifications are designed to equip students with food product knowledge, innovative techniques, and skills needed to operate commercial kitchens or their own businesses. Upon completion of their courses, students may start their careers as cooks or junior chefs, and eventually ascend to supervisory levels, such as, Chef de parties, Sous-chefs and Executive chefs.

Pastry and Baking Programmes

CIH pastry and Baking qualifications are designed to impart skills necessary for a successful career as a Pastry cook or chef. Pastry cooks and chefs are much sought after in the catering industry for working in top restaurants, creating breads, pastries and desserts in a catering business or making delicate delights of the classic patisserie.

Tourism Programmes

Our courses are specially designed to equip learners with necessary knowledge, skills and competencies in operational aspects of the travel and tourism industry. The curriculum is developed in response to the fast-changing needs of the travel and tourism industry locally and internationally. Special attention has been paid to practical training in the field and on the mandatory industrial attachment. Our Tourism Courses are progressive from Certificate to Diploma level at our institution. In addition, students are also able to transfer credits to leading universities that recognize our diplomas for further studies.
